

Docket No. 042390.P8220C10

Patent

REMARKS

The Specification has been amended to include related application cross-reference information. The amendment includes a listing of priority claimed by the patent application and acknowledged in the filing receipt received from the USPTO.

As noted above, the filing receipt mailed by the USPTO on 04/01/2002 acknowledged the priority claim of the Applicants. Thus, Applicants contend that this amendment is not objectionable under 37 CFR 1.78. However, if the USPTO deems such amendment objectionable, please consider this document as a petition under 37 CFR 1.78(a)(3).

Applicants attest that the entire delay between the date the claim was due and the filing of this amendment was unintentional. If any fees are due, including those associated with 37 CFR 1.17(t), please apply such fees to Deposit Account number 02-2666.

In the event that any additional information is required, please call the undersigned attorney at 978-553-2060.

Respectfully submitted,

Date: 5/13/03
